COMMUNICATION

April 11, 2008

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

With reference to the February 4, 2008 Notice of Allowability wherein the Examiner noted that a Certified Copy of the priority document had not been received as of January 17, 2008, applicants submit the present Communication to clarify for the record that applicants are entitled to the claimed October 31, 2002 priority date because:

- (A) applicants timely claimed, by way of an Application Data Sheet filed on October 29, 2003, the priority benefit of European Application No. 02024539.5, filed on October 31, 2002; and

- (B) applicants timely filed on January 28, 2008, with a Certificate of Mailing, a Certified Copy of the aforementioned priority document as acknowledged by the Return Postcard, a copy of which is attached as Exhibit A (this submission therefore was timely filed prior to the grant of a patent on the application).

In view of the above, applicants have fulfilled the requirements of 37 CFR § 1.55 for making and perfecting a claim for priority. As such, applicants' priority claim is proper and perfected and applicants are entitled to the October 31, 2002 priority date.

Applicants further would like to submit for the record that a Certified Copy of the priority document had previously been filed in the Office on November 8, 2004; however, the Examiner had claimed that a Certified Copy of a different application was actually in the file. While applicants maintain that the correct Certified Copy was filed, this is rendered moot by the fact that the correct Certified Copy was timely re-filed, as noted above, on January 28, 2008.

Respectfully submitted,

Gene J. Yao
